

# Plattsmouth Select 8U

The Devils had to travel to 72<sup>nd</sup> and Military Dill field to play an away game against Millard Athletic Association. Dill field was one of the only fields in the metro not to be rained out. Millard rented the field to play the game because their home field Anderson field was rained out.

MAA is known for fielding top notch teams and competes in the top of state.

The Devils started out with a run in the first at bat with a hit from Jacob Timm, and a double by Caden Hinton. Over the next two innings we gave up 6 unanswered runs mostly due to first time live game pitching jitters. Gabe Villamonte pitched in the opening innings and gave up 4 runs total before being relieved by Caden Hinton. Caden allowed a couple more before settling into a routine.

MAA then ran into pitching woes going through five pitchers who had difficulties finding the strike zone. The Devils were mostly disciplined at the plate.

MVP: Caden Hinton did it with a bat and on the mound with two line drive doubles driving in a total of three runs. Caden then closed the game with two walks and then three strikeouts to get the win.

Congratulations Plattsmouth Devils on your first game and first ever win.
